

## TUESDAYS AT 5:30PM

Riding is more fun when you ride with others! There's no better source of motivation, networking, being social, sharing knowledge, and camaraderie than your fellow RAC riders. RAC Riders is a self-led group that allows individuals to guide the group ride each week (group rides and objectives can vary).

RAC Riders meet in the RAC parking lot at 5:30 PM. Ride smart, be safe and have fun!
